Activity A – What If?

What if the Highway Code had a section about how you should behave on the way to and from school? What would you put in it?

Write down three things you think are really important about how you should behave on the way to and from school. Explain why you think this?

- 1.

Activity B – Would You Want To Travel Next To You?

You've just watched a film called *Would You Want to Travel Next to You?* which has three stories in it. For each story, draw a line to make a description that you think fits the best. Your lines will look like this:

Serious ←————→ **One story in the film** ←————→ Dangerous

Now you have a go...

More Serious	Girl walking	Selfish
Serious	Boy on the bike	Dangerous
Less Serious	Boy with music on the bus	Bully

Activity C – Radio News

Working in small groups and using a copy of the Travel Code, prepare and write a script a short radio news item for Radio Wales. Your script should be between 60 and 90 seconds long. The news item has to tell listeners:

- What the Travel Code is about.
- Why it's needed.
- Who it applies to.
- What the key points are.

The news item could include a short interview with a pupil, teacher, bus driver etc.
